For Use by the Administrative Officer Only

Zoning Permit No. _____ Fee Paid _____ Date: _____

Date of Hearing _____

Approved _____ Denied _____ on the basis of the following determinations or conditions:

Date of Decision _____

Zoning Administrator _____

CONDITIONS FOR OBTAINING A VARIANCE

- ❖ The hardship must be created by the unique physical circumstances or conditions peculiar to the particular property.
- ❖ Because of these circumstances or conditions, there is no possibility that the property can be developed in strict conformity with the municipal zoning regulations.
- ❖ The hardship has not been created by the applicant.
- ❖ The variance requested will not alter the essential character of the neighborhood.
- ❖ The variance requested is the minimum variance necessary to afford relief.

All applications for a variance must include a written memorandum detailing evidence supporting a positive finding on all conditions set forth above.

Site Plan Requirements Checklist

All site plans that accompany an application to the Development Review Board must, at a minimum, meet the following filing requirements. **FAILURE TO COMPLY WITH THESE SITE PLAN REQUIREMENTS WILL RESULT IN A DENIAL OR DELAY UNTIL AN ADEQUATE SITE PLAN IS FILED.**

The Site Plan Must Include:

Basic Information

1. Property location
2. Name and address of the applicant and owners of the property
3. Name of person or firm who prepared the map
4. Scale of map (plan must be to scale)
5. North point
6. Date
7. Zoning Classification and boundaries
8. Names of abutting property owners
9. Lot size
10. Legal property boundaries

Building Information

11. Proposed structures with distances from the lot lines and building height indicated
12. Existing structures and uses
13. Any building(s), driveway(s), right(s) of way, or easement(s) located within the applicable setbacks or adjacent properties
14. Building Elevations
15. Building coverage ratio

Utilities

16. Utility easements
17. Location (existing and proposed) of electric, telephone and cable lines on the property
